Let's go Shopping!

How much money do you have? _____

What are the things that you want to buy with your money?

No.	Items	Amount of Items	Price of 1 Item	Total Price of All Items
1.				
2.				
3.				
4.				
5.				
TOTAL				

How much money do you have left? _____

What do you think about counting money?

I am still confused about the value of each coin.	I know the value of each coin but I need help in adding and subtracting money.	I know the value of each coin and note and I can add and subtract money without help.
