

<p>There is a farmer behind every product that you eat.</p> <p>Ask a grown up if it is ok to look in the kitchen cupboard. Where did each food item come from?</p> <p>Can you find the countries on a world map?</p>	<p>Write a poem titled 'Where does the chocolate journey begin?'</p>	<p>Design your own chocolate bar label.</p> <p>What flavour is the chocolate?</p> <p>Remember to include the FAIRTRADE Mark in the design.</p>
<p>The cocoa pod is a type of fruit that grows on a tree. Many things can grow on trees, such as fruit, nuts or flowers.</p> <p>On your walk outside today, see if you can spot anything growing on a tree.</p>	<p>My Fairtrade Adventure</p>  <p>FAIRTRADE</p>	<p>The Fairtrade minimum price helps farmers plan for the future.</p> <p>What would you like to do in the future?</p> <p>Create a talk, presentation or drawing about what you would like to do when you grow up.</p>
<p>A cooperative is where lots of farmers join together to help each other out.</p> <p>Help someone in your family today with a job.</p>	<p>There are many wild animals found in the forests where the cocoa plants grow.</p> <p>Use a computer or nonfiction book to learn which animals live in the Dominican Republic.</p> <p>Choose two to draw in a forest!</p>	<p>When Tayna journeys to the Dominican Republic, she met a cocoa farmer's daughter, Mariela.</p> <p>Pretend you are Tayna and write a letter to Mariela after you have returned home to the UK about your adventures visiting her country.</p>
