This task will help us to improve our number skills. Each week you will practise different operations using the given number (+, -, x, :).
Use any objects you have at home (lego, beans, toys etc) to help you if you need it.

Number of the Week!	12
Chilli' learning is a strategy we are beginning to use in Maths to give children a choice over the activities they complete and ownership of their own learning, which then allows **work** to be more closely matched with each child's ability. The more chilli's – the more difficult the question. Start with the 🌶 chilli and see if you can challenge yourself do the hotter questions!
