We read ***Another Fine Mess*** this week and learned these new words. Try and practise them as much as you can at home.

You could try..... ♦ talking about things and people that are wonderful.

- ♦ telling your child to close their eyes so you can remove one thing from the table - can they say what you removed?
- ♦ asking your child to suggest what to read, or watch, or wear. Say, "what do you suggest?"
- ♦ looking for things in clumps when you are out and about, e.g. grass, leaves, people etc.
- ♦ using the word return when you leave a place to go back home, and when you get back to your house, e.g. "we've returned from the shops".

What do the words mean?

clump - A clump is a little group of things together.

remove - If you remove something you take it away.

return - If you return to a place you go back to it.

suggest - If you suggest something, you tell someone about an idea or a plan for them to think about.

wonderful - If someone or something is wonderful they are very, very good and special.
