

**Step
4**

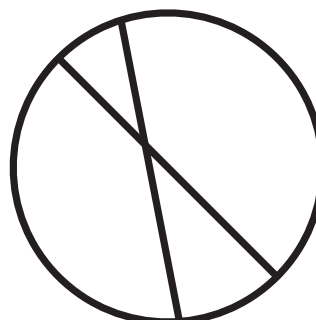

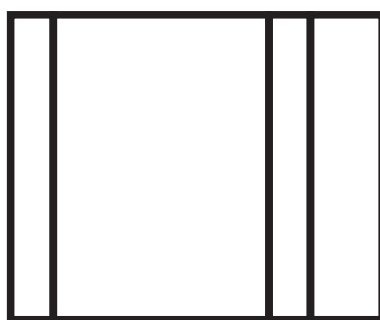

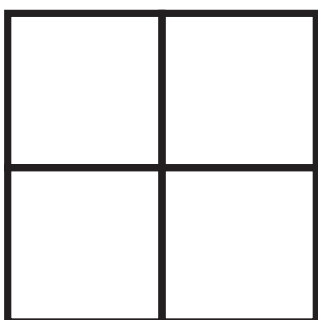

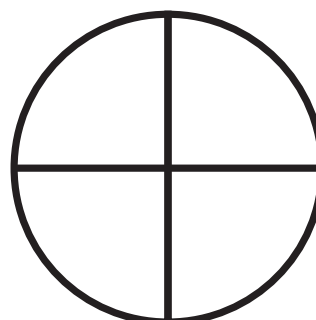

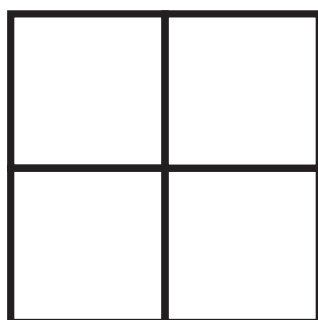

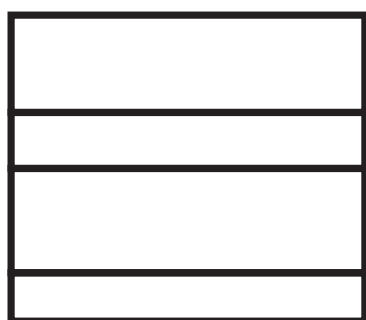

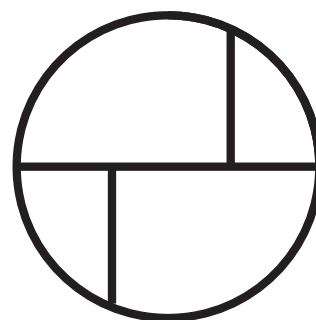

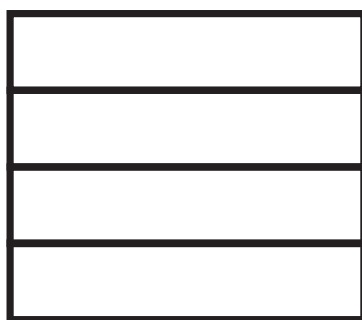

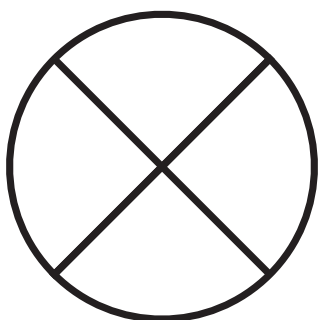

Fractions of a Whole

I can spot a quarter

Remember To:

- look for one of four equal pieces
- first find a half of the shape
- check that the quarter is equal in size to half of a half

Shade One Quarter If the Shape Has Equal Pieces

**Step
4**

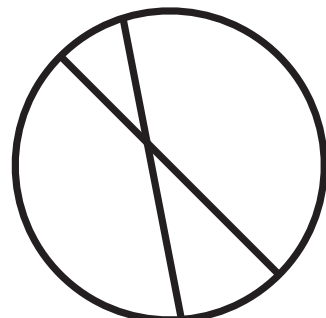

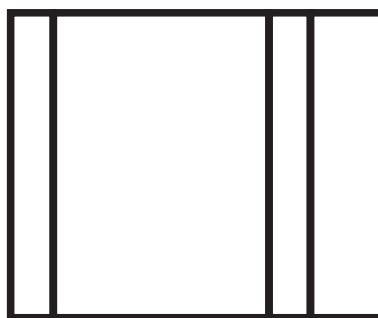

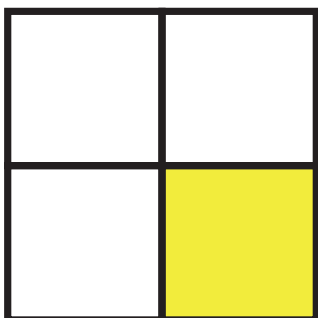

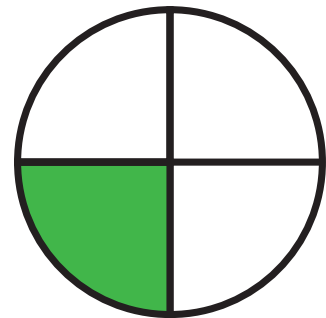

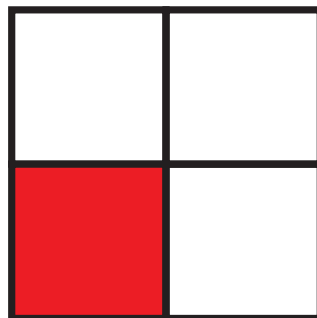

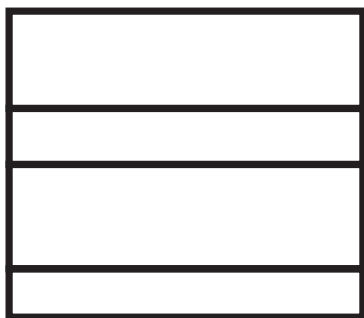

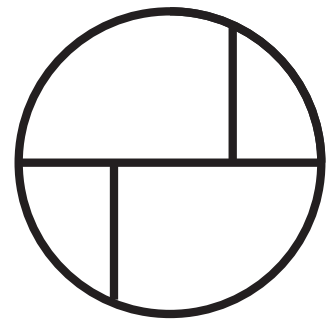

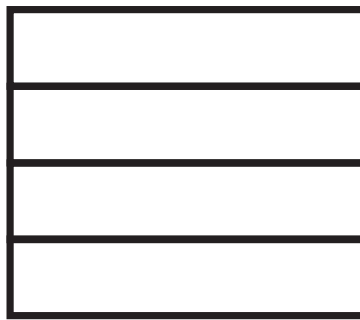

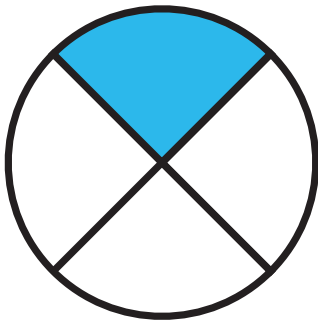

Fractions of a Whole

I can spot a quarter

Remember To:

- look for one of four equal pieces
- first find a half of the shape
- check that the quarter is equal in size to half of a half

Shade One Quarter If the Shape Has Equal Pieces
