

# Numeracy

1. Do some Maths and Numeracy activities every day.
2. Log in and play Sumdog

## Number of the Day **14, 15, 16**

This week we will post a different number on Monday, Tuesday and Wednesday.

Ask an adult to ask the Number of the Day questions (*on Resources pdf*).

Say the answer **or** write it down.

Practise your maths by completing the weekly Sumdog challenge.

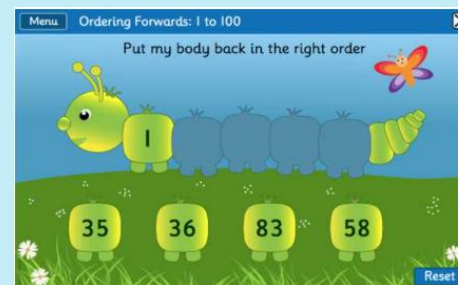

## Order numbers to 100

Watch Miss Pexara's lesson here

<https://youtu.be/K69YXNWRpNk>.

**Task1:** Use your own numbers and create 5 examples of ordering the numbers.

**Task2:** Play Caterpillar Ordering . Choose any level you prefer to challenge yourself!

## Reading Skills, Talking & Listening and writing

### Writing

#### Monday

This week we received a fantastic letter. Watch [Miss Pexara's video](#) to find out what the letter is about!

- Tuesday
- Being an explorer is a very exciting experience!
- Discuss with an adult: What would you like to ask Seren?

### Writing

- Wednesday
- Write down some of your questions down and share them with the rest of us.
- If you have a lot of questions you can film yourself asking all of them!

## Health and Wellbeing

We are continuing to learn all about kindness.

What is an act of kindness?

Write down your own definition of what kindness is and an example of when you, or someone you know has shown an act of kindness. Share ideas with family in a circle time.

### Kindness Tree

Create a kindness tree with your family. Create paper hearts and on each heart, write a different kind deed. Decorate the hearts and tape the back of each heart onto a pipe cleaner or straw. Place the "heart flowers" into any vase or on a tree branch. Every morning, invite a member of your family to pull a heart shape from the display. Your family must do the kind deed for people sometime that day.

### Breathing Exercises

This week you might want to try some breathing activities from the relaxation cards uploaded on Teams. Use them if you feel angry or sad. Think about some of the emotions you might be feeling during this time.

Remember to check in for Check-in Tuesdays on Teams @9 (P2b) or 11 (P2a).

Continue with jumping this week. (Cards uploaded on the resource file.)

Tune into P.E. with Joe Wicks every morning. Find the day's exercise on his Youtube page.

## Expressive Arts – Art

We are learning to use new techniques.

Pointillism - George Seurat

Task - Watch the video

<https://www.youtube.com/watch?v=HG1OGRwa3Sw>

Draw your own picture.

Use the pointillism method to fill it in. (If you don't have paint, you can just use a pencil or pen to give the same effect).

## IDL / SCIENCE:

During winter you might have seen people throwing salt on the roads.

The reason is to melt the ice and keep the paths clear for us to walk.

Why does this happen and how much salt do we need to melt ice.

Try this experiment to find out!! Why salt melts ice?

## IDL Social studies:

Last week we talked about the coldest places on Earth, North and South Poles.

**Task1:** What animals and plants could we find in a place so cold? Watch the [Video](#) to find out!

**Task 2:** Can you take the online quiz about the video?
