

# P4 Home Learning. Week beginning Monday 25-1-2021

## Welcome back to Home Learning Week 3 😊

- This is a special week in Scotland as we celebrate Burns Night on Monday 25<sup>th</sup> January from our homes. We have some fun activities lined up in social studies to learn more about this 😊 There is a chance to win some prizes by completing the Art task this week and uploading a picture to teams.
- **Please remember that this learning grid is a guide and only do what you can. Please do not worry about getting everything done.**

**Fact of the week:** Did you know that a polar bears hair is not white – it is colourless? Each strand of hair reflects the light, making the polar bear appear white. Beneath this transparent fur, the skin is black, to soak up any warmth from the sun and keep the bear as warm as possible!

# Literacy and English

1. Download your groups Literacy file and try to complete some activities everyday.
2. You can listen to books for free here: <https://stories.audible.com/start-listen> Ask an adult to help you choose a book you have never read before!

## Spelling

Our new spelling rules and activities for each group are attached in files. Try to practice your spelling pattern each day.

## Writing

**Task 1:** Please complete a VCOP activity for your literacy group each day. This will help you to prepare for your free writing on Thursday.

**Task 2:** Create your own story like we do for 'Free Writing' on Thursdays. Think of some characters, think of a setting where your story can take place and, give it a beginning, middle and an end.

## Reading

We will take a break from our reading books this week as we are celebrating Burns Night. If you still have parts to complete from your groups book, please do so this week ☺

### **Task:**

Please complete the Reading Comprehension in your groups Literacy Files.

## Listening and Talking

Listen to the next chapter of How to Train your Dragon: [Chapter 2, Part 1](#)  
Tell an adult about your favourite part of the chapter!

# Numeracy & Maths

1. Do some maths and numeracy activities every day.
2. Log in and play Sumdog for 10 minutes every day.

## Numeracy

### Daily challenge

Challenge yourself completing the daily challenge worksheet on Teams.

### Mental maths – Number of the day.

Complete the number of the day sheet.  
Choose a different number to work on each day.

## Maths

**Task 1** - Ask a family member to draw a symmetrical picture, like a butterfly. Fold their picture in half and see if you can draw the missing half as symmetrically as you can.

### Task 2 – Write these numbers in words

34  
120  
£3.10  
66  
354  
57p

### Task 3 – Money

Revise your 1p, 2p, 5p, 10p, 20p, 50p, £1, £2 coins and play [Coin cruncher](#).

# Maths - Time

## ***Telling the time: O'clock and half past***

If you are still learning o'clock and half past watch this [video](#) first.

**Task 1** - Complete the task attached in the files section.

## ***Telling the time: Quarter to and quarter past.***

**Task 2** - Complete the task attached in the files section.

## ***Telling the time: Digital and Analogue clocks***

**Task 3** - Complete the task attached in the files section.

**Task 4** – Use your **own clock** you made last week to make these times:

11.30

9.45

8.45

1.00

5.15

2.00

7.30

6.15

4.45

You can use this [interactive teaching clock](#) if you don't have one clock at home.

Play this games to keep practising telling the time!

[Game 1](#)

[Game 2](#)

# Primary 4's Maths Daily Challenge

Primary 4 we have set you a challenge for everyday. We hope you have fun!

## Monday

Ana has some red and yellow cubes. She has 20 cubes in total. She has 8 more yellow cubes than red ones. How many red cubes does she have?

## Tuesday

Fill in the blanks.

$$\frac{1}{2} \text{ of } 4 = \square$$

$$\frac{1}{2} \text{ of } 40 = \square$$

$$\frac{1}{2} \text{ of } 6 = \square$$

$$\frac{1}{2} \text{ of } 60 = \square$$

$$\frac{1}{2} \text{ of } 8 = \square$$

$$\frac{1}{2} \text{ of } 80 = \square$$

## Wednesday

30 cakes are arranged in an **array**. Some of the cakes are hidden. How many cakes are hidden?

## Thursday

In ancient Egypt, they used a different number system:

$$\diagup = 1 \quad \cap = 10 \quad \bigcirc = 100$$

For example 235 was written

Use this system to write 132 and 314.

## Friday

January 1<sup>st</sup> is a Friday. What other Fridays are in January?

2021 JANUARY						
MON	TUE	WED	THU	FRI	SAT	SUN
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

## Science

We will go one step further this week and learn about the terms producers and consumers; predator and prey here:

[Food Chain Part 2](#)

**Task:** Go back to your food chain from last week and label the animals as producers or consumers and predators or prey.

## Social Studies

This week we are learning about a famous Scottish poet called Robert (Rabbie) Burns who is very important to Scottish history. We remember him each year by celebrating Burns Night on January 25<sup>th</sup>.

Please follow this link to a virtual classroom with lots of videos and quizzes to help you learn about this important person from the past:

[Miss Geoghegans Rabbie Burns Classroom](#)

There are some worksheets in the social studies folder to help you to practice what you have learned. Choose one or two tasks to complete over the week if you can 😊

# Health and Wellbeing

We want you to think of all the kind things that happened to you last week. Keep a note of all these things and think how it makes you feel.

This week, let's spread kindness and make people feel in the same way by completing some of the tasks from the picture below.

Give a compliment	Smile at someone	Make a nice letter	Volunteer to help others
Take out the trash	Apologize if you do something wrong	Say "Thank you"	Give a hug
Hold the door for someone	Share	Play with someone new	Let someone go first
Write a thank you note	Make a handmade gift for someone	Clean up without being asked	Put together a care package
Encourage a friend	Say "I love you"	Use kind words	Offer to help

# P.E.

This week Miss Baeza wants you to challenge yourself!

You will need a watch, phone or Ipad (stopwatch). You will have to complete all the exercise below. Do each exercise for 1 minute and ask a person to count how many repetitions you do.

Star Jumps

Burpees

Press ups

Lunges

## Topic: Ancient Egypt

We are moving to our new topic this week!

Please watch this video:

[Ancient Egypt](#)

There are lots of interesting facts about life during this time. Can you write three interesting facts that you heard and research what they mean? Here are some links to help you with lots of information:

[Egyptian Life and Culture](#)

[Ten Facts about Ancient Egypt](#)

## Art: Burns Competition!

Can you design your own tartan, family crest or... something else really Scottish that you can come up with! Have a look in the Art files section for some inspiration ☺

Make sure to share it on Teams ☺

**R.E**

Learning Intention: I am learning that Jesus teaches us how to pray when he gave us 'The Our Father'. I can learn from Jesus through the scriptures.

**Task 1:** There is one prayer that Jesus teaches the disciples when they ask him to teach them to pray. That prayer is 'The Our Father'. Write it down and make it as beautiful as you can.

**Task 2:** Listen to the video in the powerpoint about Jesus teaching us how to pray. What do you think when the video mentioned we should pray to not show off to others?

**Task 3:** Coming together for mass and service is not possible. Find a quiet place to pray each day. Can you create your own prayer?

**Make sure to have some fun each day too!**

Here are some ideas to take your learning outside:

<https://www.wildernesskids.net/activities>

Maybe you could challenge yourself to one of the activities!
