Steps to Success: I sound out words when I spell.
I count the sounds in each word.
I use the spelling rule.
I can use the word correctly.

Daily Task: Please practice writing your spelling words from your group in your handwriting jotter. You can practise your new spelling rule daily using one of the spelling activities attached in the files section.

Black Group: Spelling and Grammar Activities WB 22.2.21

Try to complete one of these activities every day to practice your spelling words for this week.
Tick one off when complete:

1. Write your words in a list on one side of your page. Use red pencil for the vowels and blue for the consonants eg **c**ape
2. Write a sentence in your jotter for each of your words to show your understanding of their meaning. Underline your spelling word in each sentence. For example, A sphere is a 3D shape.
3. Challenge yourself to create a math problem for the teacher to answer using one of your words. For example, this shape has four equal sides. Answer: Square.
4. Write some tricky numbers and then try to spell them in words. Choose 5.
5. Draw each of your shapes and label them.

For example

Can you tell us if they are a 2D or 3D shape?
