Health and Wellbeing

We have 3 weeks left to finish this school year! Also you will know very soon who your teacher for next year will be.

We are going to design a hoodie that tells all about you so the teacher for next year can know you a bit better. For example you can write your favourite number, colour or the things you like to do.

Have a look at the examples below.

Find the template attached on files.

P.E

Tune into P.E. with Joe Wicks on his YouTube channel and choose one of his P.E videos..

You can also find a quiet space at home and try this <u>Cosmic Kids Yoga session</u> to practice some mindfulness techniques.

If you will rather dance, then give it a go to our favourite Just Dance songs.
