

# Pla Last Week of Term Isolation Activities

Literacy	Numeracy and Maths	Health and Wellbeing
<p>Read 'The Toys' Party on Oxford Owl. It's just like our Teddy Bear's Picnic! Have a snack with your furry friends at home.</p> <p>Q- What food would you feed them?</p> <ol style="list-style-type: none"> <li>1. Write the story words down on p0 (inside cover)</li> <li>2. Answer the questions on p17</li> </ol>  <div style="border: 1px solid blue; padding: 5px; display: inline-block;">             Log into OxfordOwl using the username and password: stdapl           </div>	<p>Last week we looked at halving Try the game below and worksheet on p *</p>  <p>When we double, we add someone twice. Give this game a try...</p> 	<p>Covid-19 had made us feel so many emotions, sad and angry to isolate but grateful for each other. Yesterday I was very sad a felt very negative about having to isolate. To make myself feel better I always take big deep breaths. Read our positivity posters and follow along with the Breathe Board p3</p> 
R.E	Expressive Arts	Getting to know you
<p>Yesterday we were to show all of our God-given talents. All year you have shown me how wonderful and unique you are. Record your talent and share it with all your friends on TEAMS so we can celebrate you!</p> 	<p>We have had such wonderful adults make our year so special. Ms Montero, Miss Palmas and Ms Scott have been great PSA's. Make a card or a picture especially for them to say Thank You!</p> 	<p>This week we were going to make a special book for your new teacher so they can get to know you before August. Complete the sheet on p4 telling them all of the wonderful things about yourself!</p> <div style="text-align: center;">  <p>P2</p> </div>
STEM (Science, Technology, Engineering, Maths)		
<p>Here are some summer STEM challenges for you to try...</p> <div style="display: flex; justify-content: space-between;"> <div style="width: 30%;"> <h3>Design and Build a Kite</h3> <p><b>Challenge:</b> Design and build a kite that will fly on a windy day!</p> <p><b>Possible Supplies:</b> string, sticks, craft sticks, skewers, fabric, cardboard, craft paper, glue, dowel rods</p>  </div> <div style="width: 30%;"> <h3>Design and Build an Ice Box</h3> <p><b>Challenge:</b> Design and build a container to keep an ice cube from melting out in the sun! How long does it take for the ice cube to melt?</p> <p><b>Possible Supplies:</b> cardboard, tape, duct tape, Styrofoam, craft foam, trash bags, plastic bags, glue</p>  </div> <div style="width: 30%;"> <h3>Design and Build a Solar Oven</h3> <p><b>Challenge:</b> Design and build a solar oven to melt a marshmallow or make s'mores.</p> <p><b>Possible Supplies:</b> cardboard, aluminum foil, aluminum tray, duct tape, toothpicks, skewers, marshmallows</p>  </div> </div>		

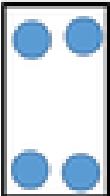

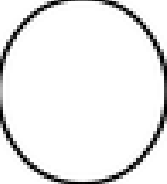

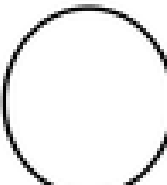

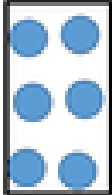

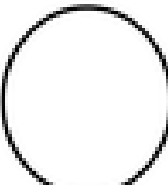

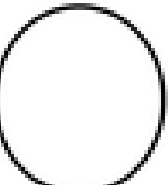

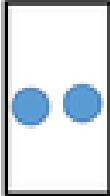

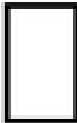

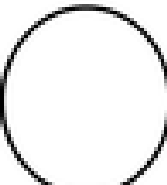

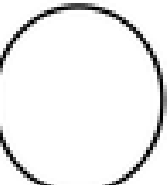

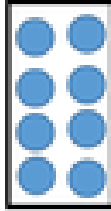

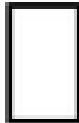

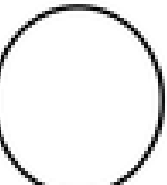

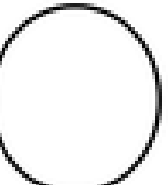

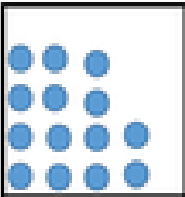

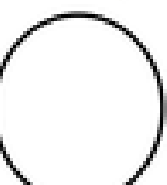

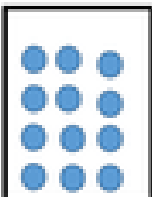

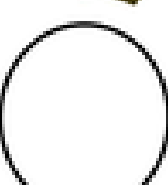

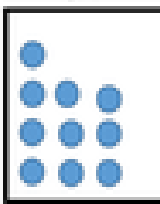

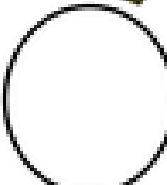

I just want to take the opportunity to say what a wonderful year I've had. As much as it's been challenging, your smiley faces and silly stories have been such a joy to come in to. I'm so sorry this is not how we planned to spend our last few days together but I want you to know that you're all so special and I can't wait to see what you'll achieve in p2.

Love, Miss Brownlie ☺

# Pla Last Week of Term Isolation Activities

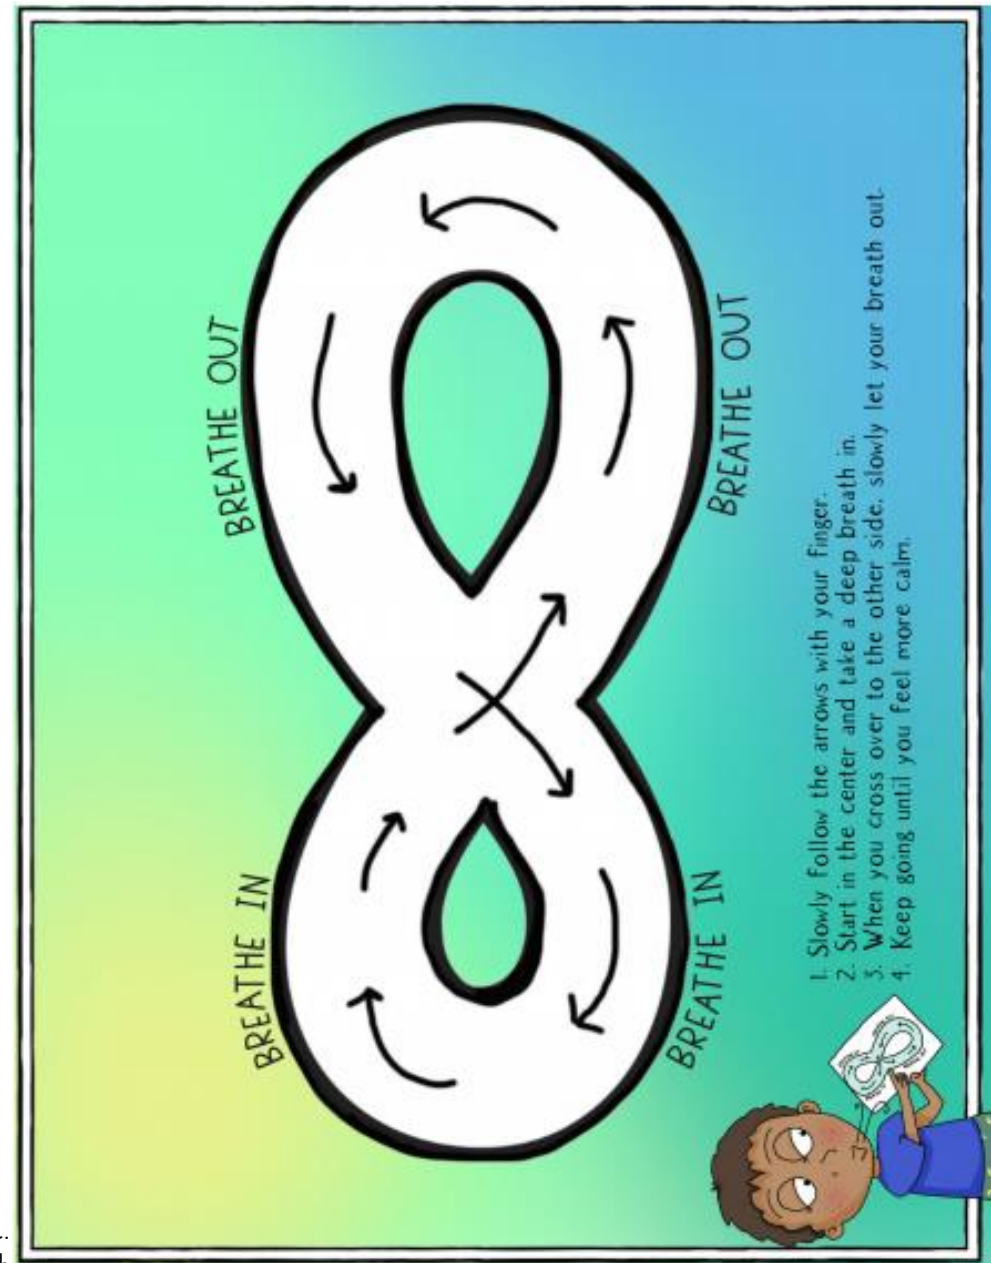

Target: to find half of a number

		$\frac{1}{2}$ of 4 =					
		$\frac{1}{2}$ of 6 =					
		$\frac{1}{2}$ of 2 =					
		$\frac{1}{2}$ of 8 =					
		$\frac{1}{2}$ of 14 =					
		$\frac{1}{2}$ of 12 =					
		$\frac{1}{2}$ of 10 =
