arrive

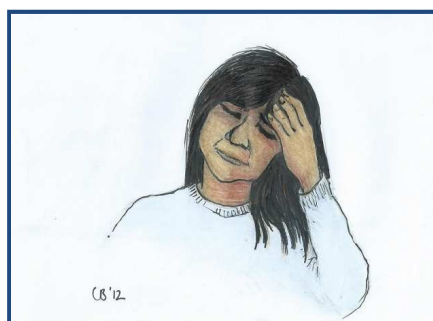

clamber

enter

narrow

weary

We read ***Owen and the Mountain*** this week and learned these new words.

Try and practise them as much as you can at home.

You could try..... ♦ asking your child what they do when they arrive at school.

♦ when you are walking to school, look for narrow things and narrow spaces.

♦ on the way home from school ask your child if they are weary. Ask what makes them weary.

♦ using the word enter when you go in places, e.g. “we are entering the flat” etc.

♦ asking your child, “what would you clamber on?” “what would a cat clamber on?” etc.

Help them to say, “I would clamber on...”

What do the words mean?

arrive - When someone or something arrives they get there at the end of a journey.

clamber - If you have to clamber you climb but it is difficult. Sometimes you need to use your hands too.

enter - If something or someone enters a place, they go in.

narrow - If something is narrow it is small across the way.

weary - A stroll is a gentle walk if you are not in a hurry.
