

# ST DAVID'S NURSERY SQIP 2023-24

**Our outdoor area is well planned and engaging**

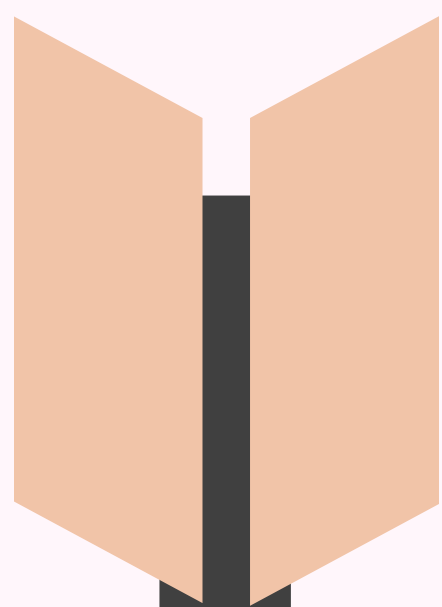

**All stakeholders have an input in recreating our vision, values and aims**

**Staff reflect upon their practice, the environment and learners as individuals to make positive adaptations**

**Adult interactions are meaningful, purposeful and increase engagement for learners**

**Staff are able to evaluate their leadership responsibilities and drive forth positive change**

If you would like to view our full SQIP, please ask a member of our staff and they can signpost you to it
