Inclusion

We are excited to share our strategy for **Excellent Inclusion** at St David's!

A team of staff and learners have been working on this vital strategy over the last 12 months.

It is formed around the 4 key features of inclusion: Present, Partcipiating, Achieving & Supported.

We would love to hear your feedback - please share via the link below:

Metaskills

At St David's, we make great effort to ensure that all children are developing **skills for life, learning and work** in their learning.
In lessons, teachers use a targeted **lesson focus tool** to help children understand **what** they are learning and the **'steps to success'**.
All learning reflects on the relevant **meta skills** - please ask your child about the meta-skills.

Wider Achievement and Success

We would love to hear from you if your child has experienced any sort of success or achievement out of school.

We celebrate all successes and achievements at our weekly assembly every Friday.

Please email school: admin@st-davids.edin.sch.uk if you would like your child to have a special shout-out!
